

THERAPEUTIC INTERNSHIPS AVAILABLE

LEARN, EXPERIENCE, AND TAKE PART IN THE BIOTECHNOLOGY INDUSTRY!

Fannin Innovation Studio is hiring interns who want to:

- Gain hands-on experience with early-stage therapeutic commercialization
- Help advance the research and development of early-stage therapeutic projects
- Develop expertise in areas including market analysis, competitive landscape
- Thrive in the growing life science and biotechnology ecosystem in Houston

Who we are:

Fannin Innovation Studio is a life science and medical device development group located in Houston's Highland Village area. We manage and develop a rapidly growing portfolio of biomedical and device technologies.

Who we are looking for:

- Late-stage graduate or medical students, postdocs, or clinical fellows
- Passionate about commercializing applied science and interested in making a positive impact in the field in Houston
- Able to commit 15 hours/week for 3 months (stipend provided for those legally authorized to work in the U.S.A.)

Please submit a 1-2 page resume & a 1 page statement of interest via our online form.
